

KINDNESS MONTH CHESED

M A Y 2 0 2 0

WEEK 2- MAY 11-15, 2020

Mrs. Cohn and Ms. Miller will be meeting with students this week to share a story and art project about kindness. You can also click on the link below to hear the story. During the week students can put a colored spot on their hand as a reminder to be extra kind during the day. Take some family time to make a list together of the names of anyone who has performed an act of kindness for you this week. How many can you come up with?

Listen to the story "A Little Spot of Kindness" read by Ms. Miller.
